

With health insurance, they'll be ready for whatever the school year brings.

Kids who have health coverage are better prepared to do well in school and succeed in life. Medicaid and CHIP offer free or low-cost health insurance for kids and teens. Children can get regular check-ups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Families of four earning up to nearly \$50,000 may qualify (or even higher in some states).
